January/February 2015

A Focus on High Safety Standards Continues at M&D

In 2014, M&D Mechanical had another banner year with respect to Safety Performance. We worked approximately 277,000 man-hours. We had one recordable, rendering our Total Recordable Incident Rate (TRIR) at a 0.72 for the calendar year! Read more about our [Safety Record](#). Learn more about our [Safety Program](#).

We've Got Great Employees

We loved seeing almost all of our employees together for our annual Christmas party. It is rare that we can get everyone in one room and it is amazing to see it. Check more photos from the [Christmas party](#).

M&D Mechanical Congratulates Top Apprentices

Two of M&D Mechanical apprentices - Danny Dean and Nathan Terry - were chosen as Top Apprentices during the recent ABC of North Alabama Awards Banquet. We are extremely proud of the work these guys have done and of all of our apprentices. The apprentice program is offered through the [North Alabama Craft Training Foundation](#).

M&D Employee David Coon Runs in NYC Marathon

M&D Mechanical employee David Coon got the chance of his lifetime last year. Coon ran in the 2014 New York City Marathon, a dream he had strived to achieve for many years. It took several tries of applying before Coon was accepted as a participant in the marathon. We can't wait to see him run in his next big race. [Check out more of Our People in Action](#)

We're Going Social

We are now on [LinkedIn](#) and [Facebook](#). We will be sharing employee news, projects, photos, videos, and more on both of these pages. We encourage you to connect with us on both!
